Limited Review Report on Unaudited Quarterly Financial Results of Baid Leasing and Finance Co. Ltd. under Regulation 33 of Securities and Exchange Board of India (Listing obligation and Disclosure Requirements) Regulation, 2015.

To,
The Board of Directors

Baid Leasing and Finance Co. Ltd.
Baid House, IInd Floor,
1, Tara Nagar, Ajmer Road,
Jaipur-302006 (Rajasthan).

Dear Sir(s),

We have reviewed the accompanying statement of unaudited financial results of **Baid Leasing and Finance Co. Ltd.** for the quarter ended on December 31, 2021. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

We draw your kind attention to Note No. 8 to the Statement which states that as per the assessment of the management, there is no significant impact of the COVID-19 pandemic on the operations and financial position of the company.

Our conclusion is not modified in respect of this matter.
